COMMUNICATIONS.

ECHO ANSWERS:—

To the Editor of The Times.

SIR,—Can you inform me who is clerk of the Municipality of the Town of Prince Albert? Where is his office as such and is he supposed to attend there at any time for the convenience of the public, and if so on what days? I would also like to know whether the list of voters for next year has been posted up in the clerk's office as required by sec. 100 of the Municipal Ordinance of 1885, and if not, why not? Perhaps some of the councillors will kindly oblige the rate-payers by answering the above questions.

ENQUIRER.

DUCK LAKE.

Our gristmill is now running full time.

A meeting of the Metis was called at Batoche on Monday last and the question of granting scrip up to 1885, was discussed. An invitation was sent to Mr. Macdowell, M.P., and Mr. Thos. McKay, of Prince Albert, but they could not attend. Several speakers addressed the meeting but no agreement could be come at as to what action should be taken.

C. M. Daunais, of Battleford, has been for some days in this district buying cattle.

A. H. Mitchell, while separating cows from their calves, came near being killed. One of the Highland cows made a charge at him, running a horn through a sleeve of his coat.

At a meeting of our school trustees on Monday last it was decided to make extensive repairs on the school house.

Louis Marion and family have moved from Beady's to One Arrow's reserve at Batoche.

The post office [at Carlton] was opened on Monday last. It is called Wingard. Mr. Charles Nolin has the contract for carrying the mails.

Mr. John Shannon, of Prince Albert, arrived here on Monday last, and will have charge of the engine in our mill.

Mr. Mitchell, this week, sent a large band of cattle to Snake Plains to be wintered.

Mr. Dowling, of Fish Creek, has just returned from London, Ont., where he was recently married.

Weather delightful. No snow. Roads in good condition.

One of the prominent features of the ball last Friday evening was the elegant supper provided by Mrs. Pollock, of the Leland House. It was conceded by all present to be the best of the kind ever laid out in the town. Many and profuse were the congratulations Mrs. Pollock received.

A literary and improvement society has been formed in connection with the Presbyterian Church here, to be known as St. Paul's Young People's Association. The officers elected are as follows:—President, Rev. Dr. Jardine; First Vice-President, T. N. Campbell; Second Vice-President, H. W. Newlands; Sec. Treas., H. W. Newlands. Committee—W. Knox, J. F. A. Stoll, J. Kernaghan, Miss McGregor and Mrs. Porter. An entertainment will be held every fortnight.

A WONDERFUL REMEDY.

Edmund Kerr, Chesterville, Ont., says: I can truthfully say your Nussal Balm is giving me wonderful relief and I feel satisfied that another bottle will make a complete cure. I cannot expect one bottle to cure me as my case was a very bad one.

CHIT-CHAT LOCALS.

Gathered by our Reporters.

Read R.T. Goodfellow's advertisement. W. R. Fish and G. C. McLeod left for the east on the stage.

C. Daunais, of Battleford, is again visiting town to purchase more cattle.

Geo. Russell left for Qu'Appelle with a lot of hides and pelts, on Wednesday.

Wm. Shannon & Co. have just received a large stock of fine boots and shoes, etc.

Secure your partner for the grand ball at the Leland House on Friday evening next, 14th inst.

Boots and Shoes of every description at Walters & Baker's, also a fine line of overhaos, rubbers and moccasins.

T.E. Jackson's new drug store is being pushed rapidly towards completion. The plasterers are now at work.

The H. B. Co's gristmill has again started to work but, will not do any grinding for the settlers for some time yet.

We are having delightful weather, but the farmers would be more pleased to see a fall of "the beautiful" so that they can begin teaming.

The Soap-Suds Syndicate are running full blast and turning out "biled" shirts cleaner, whiter and more glossy than ever before in this town.

Assistant Commissioner Col Herchmer arrived in town on Monday last from Battleford. The commissioner is on a tour of inspection of all the troops.

The Government want to sell the grain which was returned by the settlers in payment for seed grain lent last spring. The sale will be by tender. See adv't.

The trustees of Nisbet Academy will hold a grand opening conversation on Friday evening, the 21st inst. A first-class programme is arranged and one of the most pleasant evenings ever spent in Prince Albert is guaranteed.

The rink was opened for skating for the first time this winter on Saturday evening last and was well attended. It is expected that this will be a good reason for skating and that there will be a great number take advantage of it.

On Monday evening when Richardson, the stage driver, was putting the mail into the post office his team, four in hand, started off suddenly, and had it not been for several people who were standing near by there would have been a lively time.

Mr. Thos. McKay's engine, which is running his threshier, came to grief a few days ago, and on examination it was found that the breakage was serious and could not be repaired for some time, so Mr. McKay secured Thompson's engine to go on with the work.

Alex. Stuart, wife and son arrived back in town on Tuesday evening. Mrs. Stuart and Freddy were off on a three-month's visit, and are glad to be back home again. Miss Cummings, of Portage la Prairie, accompanied the party and will spend the winter here.

Owing to an oversight by the council the final revision of the voters' list was not made at the proper time. The Ordinance calls for the final revision to be made on or before the 1st of December. It is now questionable whether the last list made out can be used at the coming municipal elections.

As may be seen by advertisement and poster, Mr. Buckley will hold an auction sale of furniture at Mr. W. B. Goodfellow's store on Saturday, 22nd inst. Mr. Goodfellow is closing out the business, and the entire stock will be disposed of without reserve. Don't miss this opportunity for securing bargains in the furniture line.

A petition signed by a number of rate-payers was presented to the mayor and president of the Lorne Agricultural Society asking them to call a "Mass Meeting" to memorialize the Government re railway extension to this district. The meeting is called for Tuesday next, 11th inst. at 1 o'clock, p.m. Mr. Macdowell, M.P., is asked to attend.

S., and is for sale by all druggists throughout the world. Price 25c a bottle.

Robertson & Robertson.

ST. ANDREWS' DAY.

The 30th November being the day set apart by Scotchmen in honor of their patron saint, was celebrated by a grand ball under the auspices of the St. Andrew's Society of this town. The ball last Friday night was the fourth annual assembly of the society and was without exception the best yet given by them. The trustees of the Niebet Academy very kindly placed the new academy building at the disposal of the society for the occasion, and that, in a great measure, contributed to the success of the entertainment; in fact had it not been for the courtesy of the trustees we might have been deprived of the enjoyment afforded by the ball, there not being any other suitable building in town in which to hold a public entertainment of the kind. As it was there was ample accommodation for the large number of guests who were present; the ball room was very tastefully decorated and all arrangements were well attended to by the ball committee. As frequently happens at affairs of this kind, there was for some unexplained reason an unnecessary delay in opening the ball and although nearly all the guests had arrived by 8.30 o'clock, dancing did not commence until about ten. It was then entered into with a zest and kept up until 3 o'clock in the morning. Another unfortunate circumstance arose in connection with the music; for some cause or other the band got out of wind after playing one tune and were seen no more during the evening, and the dancing was done thereafter to the inspiring strains of the violin accompanied by a piano. Notwithstanding these few little hitches the evening was most enjoyable and passed off in a most gratifying manner to all concerned. The supper, which was very *recherche* and served in first-class style, was provided by Mr. Pollock, proprietor of the Leland House. We would say something about the ladies and their costumes but are unfortunately not posted in such matters and are unequal to the task; suffice it to say the ladies all looked pretty, and in that respect Prince Albert is not behind any place, while their costumes were rich and beautiful, and gave an air of splendor and brilliancy to the gathering. In every respect the ball was a success and we express the hope that our Scotch brethren may favor us with similar entertainments in the future.

TOWN COUNCIL.

The Town Council held a regular meeting on Monday evening last. His Worship Mayor Bain presiding. The councillors present were: Agnew, Davis, Stewart, Knowles, Johnson and McPhail.

Communications were read from Dr. Porter enclosing an account for \$80, which was referred to the Board of Relief and Health; from G.T. Brown, asking that Dallas' saloon license be transferred to him as he had leased the saloon, the transfer was granted; from the secretary of School District No. 3, asking that all moneys due said district be paid; from Goodfellow Bros., asking leave to place a mill on the north side of River street opposite J. M. Campbell's store, this was referred to the solicitor; from T. E. Jackson for \$2 80; T. J. Agnew, for \$17 90.

The Board of Health and Relief recommended the payment of the Police account, for attendance on Thom. Rice, for \$124 15. Adopted.

The Finance and Assessment Committee recommended the payment of the following accounts: Stewart Bros., 10 cents; Times, \$10 25. Adopted.

The committee also reported that the total expenditure by the said committee from the municipal funds, \$803 35; from the Northwest Council, \$500. Report adopted.

COMMITTEE OF THE WHOLE.

The council went into Committee of the Whole on the report of the Fire, Water and Light Committee. Coun. Stewart in the chair. The following motion was made by the Mayor and carried: "That A. Goodfellow be engaged to confer with James Moffatt and to see that the repairs mentioned by McKeebie are carried out in a workmanlike manner and if possible to report whether the tank is built according to plan and specifications." The

committee rose and reported in accordance with the above resolution.

MOTIONS.

Coun. Davis moved and Coun. Stewart seconded that the Board of Works be instructed to repair the river bank at the foot of Church street. Carried.

Coun. McPhail moved and Coun. Johnson seconded, that the amount of \$5 due J. M. Coombs be paid him for auditing the town accounts for 1887. Carried.

A by-law to regulate the storage of gunpowder was defeated on the third reading.

The council adjourned till Monday, the 17th inst.

ARMADALE.

The Rev. John McKay, Presbyterian minister here, is again able to attend to his pastoral duties after a long illness.

Bears are very plentiful in this vicinity this fall, there were eight killed last week by people on the reserve.

Mr. M.S. Vankoughnet, late of Onion Lake, is now stationed here as clerk in the Indian Agency office.

Mr. Nealy, school teacher at Sandy Lake, had a narrow escape from drowning in one of the lakes a short time ago, while skating.

Mr. Chaffie, Indian Farm Instructor, and family have moved into their new buildings at Muskeg Lake.

We are expecting a post office to be opened here in the near future.

We are expecting a jolly time here at Christmas. It is rumored a ball will be given at the "Agency" when all the (Indian) "dudes," Mr. Mistowassiss, Mr. Muchanow and others, will be present.

There is splendid skating on the big lake near the Rev. Mr. McKay's residence. Miss McKay and Miss Maggie Finlayson are usually to be seen taking advantage of the fine ice during the evening.

We are having beautiful weather, very little snow has fallen as yet, consequently no sleighing.
